Afg. Ebbe Scheel Leerelte Vang (Død i Norge)
Enke Madame Ingeborg Scheel, hendes fader og laugværge sognepræst Hr. Peder Topp i Karlebo.

Brn:

Dorthea Bolette Margrethe Scheel, 11 aar

Henrich Scheel, 10 aar

Peter Scheel, 5 aar

Formynder for Henrich, den afdødes halvbroder Jørgen Borch i København

Formynder for Peter, svoger Sr. Christian Brylov i København

Køber af gården er hørkræmmer Niels Nysom, København

Skiftet er meget stort, over 100 sider.

Værdien af boet til fordeling til arvingerne udgjorde 1,326 Rdl,

det blev fordelt som følgende:

*Enken Ingeborg Topp Scheel 663 Rdl

*Datteren af Ebbe Scheels første Ægteskab, Katharina Dorothea Bolette Scheel, 11 aar, en søsterlod på ca. 132 Rdl

*Sønnen af Ebbe Scheels første Ægteskab, Henrich Scheel, 10 aar, en broderlod på 265 Rdl

*Sønnen af Ebbe Scheels andet Ægteskab, Peder Topp Scheel, en broderlod på 265 Rdl.

From the above we see that Ebbe Scheel died in Norway, his Estate was very big, over 100 pages.

The value of the estate to be divided among the heirs totalled 1,326 Rdl. (Rigsdaler)

The important part, the settlement for the heirs, shows that the widow received 663 Rdl

(=Rigsdaler). The children received the other half (663 Rdl) divided as follows: The sons, Hendrich Scheel and Peder Top Scheel, each a brother part of 265 Rdl and the daughter, Katharina Dorothea Bolette Scheel a sister part = half a brother part of abt. 132 Rdl.

Because the children were very young, trustees were named, the above also shows the names of the trustees of the boys.

Jørgen Green found some more information about Ebbe Scheel.

Per I C Christensen "Hørsholm History" (E. Jespersen Publishing 1879) it show that Ebbe Scheel was allowed to be a distiller and also make beer.

It says that after "Rasmussen died" the renter on Sandholm, Ebbe Scheel, that had been secretary and head clerk for 20 years on the county farm and was married to the county managers sister, got the same privilege while he and his wife lived for a yearly payment to the masters of "Holtegaard" (Rasmussen) of 100 Rdl .

It was further noted that generalmajor Lauritz de Thura after, that he for for some years had rented the main buildings and garden to "Etatsraad Heilstjerne", by contract of August 16, 1753 gave the full lease of "Sandholm" to Ebbe Scheel who since 1749 had rented the land, he received the Queens promise that he could keep the lease on the same conditions untill May 1, 1761 or for as long as Thura lived.

Lauritz de Thura, the famous builder of fine buildins and castles, and Ebbe Scheel were by the way cousins.

I appears that Ebbe Scheel and his wife at some time purchased the farm called Leer Elite (it was located by what today is called Tokkekøb Hegn), we have not found the records og the purchase.

Ebbe Scheel and Ingeborg Top had the following children:

- i. PEDER⁶ SCHEEL was born about Apr 1757 in Blovstrød Sogn, Frederiksbog Amt, Denmark.
